## Areas of Expertise

*Anita has experience writing Homeowners, Renters and Condominium policies, as well as Personal Auto policies and customized life policies based on each individual client's needs. She specializes in cross-selling to existing clients to bring peace of mind that one agency is handling all of their insurance needs. This makes the process hassle free and allows Anita to shop multiple companies' rates for a client.*

## My Portfolio

*As an Independent Insurance Agent, Anita has access to over 70 "A" Rated Insurance carriers. You are not "locked" into one company which means you have the advantage of obtaining the best coverage and pricing options.*

Stan Burns Insurance Services:

The agency was formed in 1965 by Stan Burns. Tom Burns purchased the agency in 1994 and has led the company into its 50<sup>th</sup> year. The agency donates to many local charitable organizations as a way of giving back to the community it serves.
